# Haseeb Choudhary

Ruby on Rails Developer · Full Stack · PostgreSQL · Stimulus · Docker

haseebch211@gmail.com +92 303 4730398 github.com/haseebchoudhary lexiqamus.com/lexiqamus
Pakistan

## SUMMARY

Ruby on Rails developer with hands-on experience building production web applications, including **LexiQamus** and the **BuildLQ** dictionary digitization program, plus multi-tenant e-commerce. Comfortable across authentication, search, APIs, and responsive frontends.

Works with AI-driven tools (**Cursor, Claude, Codex**) for spikes, refactors, and documentation, using scoped prompts and reviewing every diff before it ships.

## TECHNICAL SKILLS

| | |
|---|---|
| Languages | Ruby, JavaScript, Python (project work) |
| Frameworks | Ruby on Rails, Laravel, Django, React.js |
| Frontend | React.js, HTML/CSS, Bootstrap 5, ERB, Stimulus |
| Data & tools | PostgreSQL, MySQL, Docker, Git/GitHub, REST APIs |
| AI tools | Cursor, Claude, Codex |
| AI/ML | PyTorch, DenseNet-121, ConvNeXt-Base, Swin Transformer |
| Practice | MVC architecture, authentication & authorization, multi-tenant applications, debugging & performance |

## EXPERIENCE

### Ruby on Rails Developer · Evolving Bits

Mar 2026 – Present

- **BuildLQ** — **220** pull requests · **LexiQamus** — **23** pull requests (evolvingbits private GitHub).
- Ship search, Redhouse, Word Decoder, and CMS on lexiqamus.com/lexiqamus.

### Ruby on Rails Intern · Evolving Bits

Oct 2025 – Jan 2026

- Built a Shopify-style multi-tenant e-commerce platform in Rails with subdomain-based tenant isolation.
- Delivered role-based admin and seller dashboards for products, orders, inventory, and sales metrics with a responsive Bootstrap UI.

## PROJECTS

### LexiQamus & BuildLQ

Production

Rails · Docker · private GitHub

- evolvingbits/BuildLQ — 220 pull requests · evolvingbits/LexiQamus — 23 pull requests.

### Brain Stroke Detection (FYP)

GitHub

Django · PyTorch · **28 branches** · **147 commits**

- CT classification (Normal / Ischemic / Hemorrhagic), **95.2% accuracy**; code at Stroke-prediction-app.

### E-commerce Analytics Dashboard

Rails project

Rails · Bootstrap 5 · Stimulus

- Multi-store admin and seller dashboards with low-stock alerts and role-based views.

## EDUCATION

**BS Software Engineering** · Lahore Garrison University — 2026

**FSc Pre-Engineering** · Punjab Group of Colleges, Sialkot — 2022
